Dear Friends,

We are pleased to present our latest catalog. Please review this brochure carefully as new items are featured throughout it. We stock Feadog Irish Whistles, which are very popular among musicians in Ireland and the Trefoil Real Shamrock gift items from County Waterford.

We hope you will find time to visit our showroom when in the Chicago area. Not only do we have everything on display but you can take your order with you. We have plenty of parking with easy access from Interstate 88. You can also take the train and we will be happy to pick you up. You have a choice of either the Burlington West Line to Aurora or the Union Pacific West Line to Geneva.

We have used the following abbreviations in the catalog:

* SR means "suggested retail".
* MP means "minimum pack". You must order in multiples of this number.
* CP means "case pack".

We will continue to work hard to earn your business and we appreciate your loyalty.

Sincerely,

Tim Vetang
Vicki Vetang

We are always asked who Burke and Hogan are. So here is the answer. Vicki's grandmother was a Burke and Tim's was a Hogan. Both from County Cork.

FEADÓG
ORIGINAL
IRISH WHISTLE

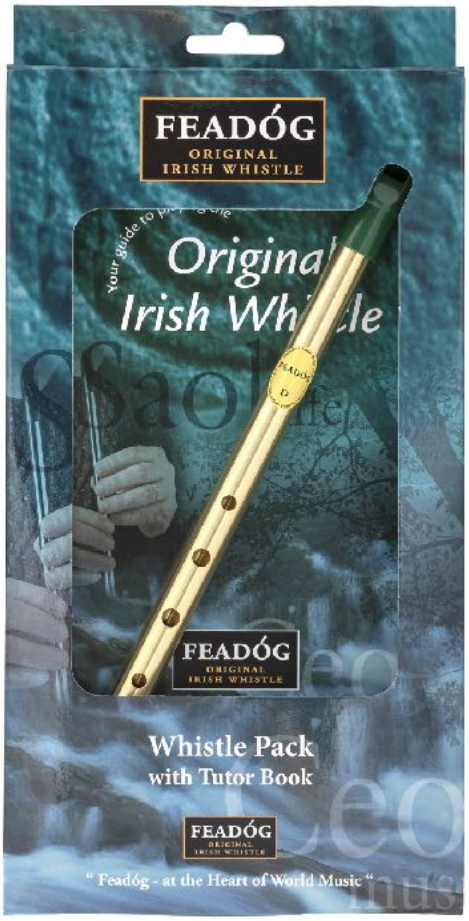

Introduction

The Feadóg (Irish for whistle) is the oldest commercially produced tin or penny whistle in Ireland. Although known as the 'tin whistle', the Feadóg is in fact manufactured using a seamless brass barrel. Nickel plating and colour-coating are further processes.

Fashioned from the demands of the Irish traditional and folk music players, it is manufactured to high standards of accuracy and consistency of tuning.

The "whistle" in many forms has existed around the world for a few centuries. Examples have been found made of wood, clay, cane and metal. The Feadóg is a real musical instrument, easily afforded and fits in your pocket!
